▲ Sirayash Plantix® Oryza

Product Introduction

Sirayash Plantix® Oryza is the oil extracted from rice bran of the premium species Taitung No. 30, which is world recognized as the most nutritious and the best **anti-oxidant** active oil.

Sirayash Plantix® Oryza is rich in **Vitamin E, Gamma Oryzanol and Vitamin B1**, which equip it with heat tolerance, anti-oxidant ability and UV stability to be used in the **heating processed** color cosmetics.

When added this ointment Plantix Oryza to the toner formula, it will form a beautiful **snow-like shape**. Its compatibility can fit in all types of formulas for **the maximum application diversity**.

▲ Sirayash Plantix® Oryza Liquid

Product Introduction

Sirayash Plantix® Oryza Liquid is the **vegan version** of Sirayash Plantix® Oryza, originally a solid oil-based rice bran extract. Sourced from premium Taitung No. 30 rice and cold-pressed, it contains **antioxidant-rich vitamin E, γ-oryzanol, and vitamin B1**—making it a nutrient-dense, **high-antioxidant oil** that supports the trend toward **vegan and sustainable cosmetics**.

With excellent heat and light stability, it's ideal for both skincare and **heat-processed** makeup, offering broad formulation flexibility and application potential.
