Actives | • Eyelash Growth • Hair growth • Moisturization • Skin Barrier Enhancement

Product Information

- Category: : Aqueous Eyelash Growth Active
- Appearance: Transparent, Fluid
- Odor: Characteristic
- INCI Name: Aqua, Pentylene Glycol, Coffea Arabica (Coffee) Seed Extract, Theobroma Cacao (Cocoa) Extract, Cinnamomum Cassia Extract
- CAS NO: 7732-18-5, 5343-92-0, 84650-00-0, 84649-99-0, 84961-46-6
- Certification:

Formulation Characteristic

- Solubility: Water Soluble
- Recommended Use Level: 2-100%
- Application Direction: Skin Care, Makeup, Sun Care

▲ Sirayash Plantix® Kapi

Product Introduction

Sirayash Plantix® Kapi is a natural skincare ingredient derived from coffee polyphenols, primarily chlorogenic acid (CGA), sourced from locally cultivated **coffee grounds** of the beans in Gukeng, Yunlin. It 's upcycled ingredient. CGA boasts powerful antioxidant properties, shielding cells from harmful UV rays, reducing melanin activity, and preventing the formation of lines. Additionally, caffeine in the formula promotes skin elasticity and radiance while **facilitating nutrient absorption for fuller lashes**. Complemented by theobromine from Pingtung **cocoa** and cinnamaldehyde from **Nantou indigenous cinnamon leaves**, this formulation offers better skin protection against damage caused by **dust and airborne pollutants**.
