Actives | • Anti-aging • Skin Repair • Skin Rejuvenation • Barrier Enhancement

Product Information

- Category: : Oil Smoothing Skin Imperfections Active
- Appearance: Light Yellow, Fluid
- Odor: Characteristic
- INCI Name: Caprylic/Capric Triglyceride, Perilla Ocymoides Seed Oil, Brassica Oleracea Italica (Broccoli) Seed Oil, Camellia Sinensis Seed Extract
- CAS NO: 73398-61-5, 90082-61-4, 223749-36-8, 84650-60-2
- Certification:

Formulation Characteristic

- Solubility: Oil Soluble
- Recommended Use Level: 2-100%
- Application Direction: Skin Care, Makeup, Lip Care, Hair Care

▲ Sirayash Plantix® Puli

Product Introduction

Sirayash Plantix® Puli harnesses the power of cold-pressed **red perilla** seeds from Nantou, renowned as a potent "plant-based alternative to deep sea fish oil." This ingredient is rich in polyphenols, vitamin C, **β-carotene**, and linolenic acid, offering antioxidant benefits to combat oxidative stress from UV exposure, **maintain skin barrier integrity**, and support metabolic functions. **Perillaldehyde** further aids in preventing skin damage, particularly for acne-prone skin.

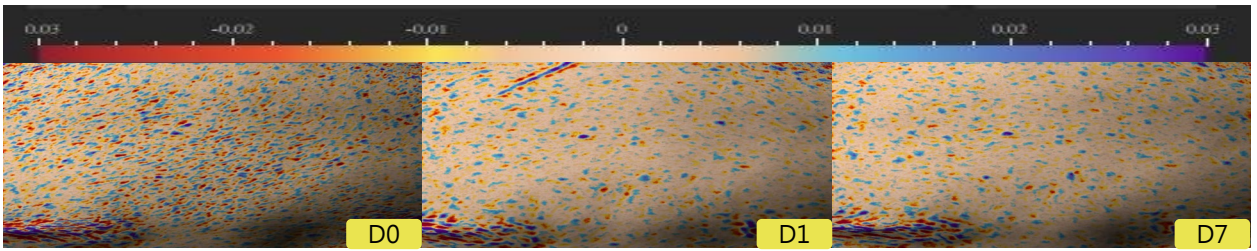

Enhanced with **Oolong tea seeds** from Nantou and **broccoli seeds** from Changhua, Taiwan, rich in Catechin and Sulforaphane. These ingredients work together to **repair dry, sallow skin, and uneven scars**, restoring confidence with a jade-like radiance, as if turning back the clock on your skin's age.
