- CAS NO: 999999-99-4, 5343-92-0
- Certification:

### Formulation Characteristic

- Solubility: Water Soluble
- Recommended Use Level: 5-100%
- Application Direction: Skin Care, Makeup, Sun Care

▲ Sirayash Plantix® Savong

### Product Introduction

Sirayash Plantix® Savong highlights **white magnolia** cultivated in Pingtung, a flower well known for its elegant aroma and resemblance of purity. It's said to be a shared memory of Taiwanese people and "makes you think of home sweet home". Rich in vitamins, amino acids, trace elements, and magnoflorine, white magnolia extract demonstrates antifungal properties, reducing inflammation and revitalizing aging skin cells.

White magnolia extract enhances skin hydration, improves blood circulation, and offers anti-inflammatory, moisturizing, anti-allergy, and sebum-regulating benefits. Particularly effective for the eye area, it reduces **eye bags** and swelling, instantly improving complexion for a radiant appearance.
