- Certification:

### Formulation Characteristic

- Solubility: Oil Soluble
- Recommended Use Level: 2-5%
- Application Direction: Skin Care, Color Cosmetics, Hair Care

▲ Makatta Simal® Madru

### Product Introduction

Makatta Simal® Madru is made of the native Calophyllum Inophyllum, grown in the southwestern **coast of Taiwan**. It is the precious active oil which is cold pressed to preserve the high percentage of oleic acid and linoleic acid; the nutrients can give brilliant anti-inflammatory, repairing, anti-oxidant, deep moisturizing, and anti-winkle effects. For daily care, Makatta Madru plays a similar role **as liquid healing ointment** to treat scalds, sunburns, bug bites and eczema. For cosmetics, it can be applied to all BPC products for skin care, after sun care and hair care.
