### Product Introduction

Sirayash Plantix® Mala' afihay is extracted from the bran of the native Foxtail Millet grown in eastern Taiwan; via **water extraction**, we get this precious **aqueous active ingredient**. Sirayash Plantix® Mala' afihay is a highly nutritious ingredient as it has Vitamin A, B1, B2, E and hydrating minerals, which are not common in the usual grains, to **improve the skin health**. In addition, it is also rich in Phytosterol to **enhance the skin barrier**, repair the damaged skin and nourish the skin and scalp. Sirayash Plantix® Mala' afihay is a vegan cosmetic ingredient which is flexible to be added to different types of formulas, including skin care, color cosmetics and hair care.
